CHESHIRE COUNTY DELEGATION

April 15, 1936

Meeting called at County Court House, Keene, N. H.
23 members present.

Absentees: Hammond, Perry of Jaffrey, Hetherman of Keene, Rice of Rindge, Perry of Swanzey.

Clerk read notice from chairman as follows:

Keene, N. H., April 13, 1936

Dear Sir:

A special meeting of the Cheshire County Delegation is being called at the Court House, Keene, in the Grand Jury Room on Wednesday, April 15, at 1:30 P. M. for the purpose of discussing an emergency situation at the County Farm made necessary by the recent flood.

(Signed) WILLIAM J. CALLAHAN,
Chairman.

Committee Chairman Spaulding read report and explained the damage at farm of flood as follows:

Keene, N. H., April 11, 1936

Mr. W. J. Callahan, Chairman:

The Committee appointed to investigate the flood damage at the County Farm made their survey on April 10 and submit the following report.

The front entrance projection on the brick building in the rear of the Superintendent's cottage should be taken down, a new foundation put in, and the brick walls rebuilt.

The above mentioned work should be done as soon as the Commissioners can make the proper arrangements, as we think the walls in their present condition are not safe.

Some minor repairs, we understand will be cared for by the Superintendent.

Two propositions were discussed by your Committee. First, building a concrete wall from the bridge abutment around to the wall of the boiler house. Second, changing the course of the brook. Your Committee thinks this work requires more study than could be given in one day.

We have, therefore, given you the proposals without recommendation.

M. O. SPAULDING,
DON W. RANDALL,
GLENN E. BRITTON,
CARL D. ROCHE,
STEPHEN A. BULLOCK,
Committee.

Discussion by Roche, Britton, Horner, Hall, Randall, Commissioner Swan:—relative to changing course of brook, cement wall to hold bank, contractor supporting front wall by tie rods through rear wall; result rear wall several inches from perpendicular.

Motion by chairman:—Delegation approve action of chairman of appointing committee M. O. Spaulding, Don W. Randall, Glenn E. Britton, Carl D. Roche, Stephen A. Bullock investigate damage at farm and submit a report. Motion moved and seconded, unanimous vote and so declared.

Motion Wiswall as follows:

I move that the County Commissioners be authorized to remove the destroyed section of the Women's Building at the County Farm and to repair and rebuild in such a manner that the building shall be in proper and safe condition. Also, that the County Commissioners investigate the possibilities of a

protective wall next to the brook and of a suggested change in the course of said brook looking to the preservation of property in future floods. Moved and seconded—unanimous voted.

Moved adjourned—declared.

D. J. KINIRY,
Clerk.

Mr. William J. Callahan, Chairman
Cheshire County Delegation
27 Gardner Street
Keene, New Hampshire

Dear Sir:

As I was out of town at the time that the special meeting of the Cheshire County Delegation was held on April 15, I am not aware of what took place as I have received no record of the meeting and whether or not there was any action taken for a special appropriation of money.

The County Treasurer is anxious to make up the tax rate, and he is holding up on this until he finds out whether or not there was a special appropriation of money voted to take care of the Farm damages, so that they could be included in the

regular appropriation and he could make up the county tax rate in accordance with the same.

Very truly yours,

GRACE A. RICHARDSON,

County Commissioner.

Friend Bill:—

Will you have M. O. Spaulding sign the enclosed report of the Special Committee appointed by the Cheshire County Delegation, in connection with the rebuilding of the barn at the County Farm?

Would have made this report before, but have been expecting to see you personally.

Yours very truly,

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Cheshire County :

Complying with the Public Laws of New Hampshire we are presenting our annual report for the year ending December 31, 1936, together with the reports of County Treasurer, Clerk of Court, County Solicitor, Sheriff, Superintendent of County Farm, Master of House of Correction and Farm Physician. The fiscal year ended with a balance on hand of \$2,509.28 and no outstanding notes or bonded indebtedness.

Previously it has been our misfortune to record the damage done by the flood of 1927 and the fire of 1933 at the County Farm, but during the year of 1936 we experienced both. While we had to make extensive repairs after the flood of last March, the fact that the water began to come into the buildings that were occupied by human beings, and that the Farm was practically isolated and surrounded by water for a number of days, made a most distressing situation. The central power and heating plant was flooded for three days, so that portable stoves had to be installed and candles, lamps and lanterns served as our only means of lighting, and telephone connections were cut off for twenty-four hours. Fortunately, no lives were lost and no sickness ensued, but one building was badly undermined and about four acres of tillage land belonging to the County, which bordered on the Connecticut River, was washed away. In May, fire of unknown origin destroyed the barn built in 1933. However, all the livestock was saved, and there was insurance enough to cover all the losses, and in a short time the barn was replaced.

From the fact that more prisoners are being sent to the House of Correction, it would seem that in time, if this condi-

tion continues, more facilities for caring for prisoners will be in order.

We are planning to make quite a few necessary repairs on the Court House this year which will entail quite a little expense.

The relief situation has been, and probably will be for some time our biggest expense, and we urge the taxpayers to acquaint themselves with the laws governing these matters, so that there will be a better understanding of some of the causes for the cost involved in the administration of direct relief and old age assistance.

We are not unmindful of the excellent care and supervision rendered by Supt. and Mrs. B. F. Sherman through the year to the unfortunates who are housed at the County Farm or of their long hours of anxiety and extra work caused by the flood, and we take this opportunity of extending our sincerest thanks and appreciation to them and their employees. We also recognize the valiant service rendered by the citizens of Westmoreland and members of the American Legion of Keene during the flood, and to them also go our warmest thanks. We would not forget the men in the House of Correction for their courageous and humane stand at the time of the flood and fire.

Our grateful thanks are extended to each and all who in any way have assisted us during the past year.

We urge taxpayers of the County to study this report which is intended to give you an accurate statement of the business administration of this office and the County Farm.

FRED A. RAMSAY,
GRACE A. RICHARDSON,
HENRY E. SWAN,
County Commissioners.

SUPERINTENDENT'S REPORT

To the Honorable Board of Commissioners of Cheshire County:

The following is the report of the Cheshire County Farm for the year ending December 31, 1936.

Our repairs and improvements during the year were confined almost entirely to the destruction caused by the disastrous flood in March and the loss of our new barn by fire in May. With the exception of several acres of land carried away by the flood these losses have all been replaced. We have also installed a septic tank for the sewage from our hospital building.

The farm furnished the institution with the usual amount of farm produce with the exception of hay and potatoes which were rather poor crops for us this year. Over 4,000 quarts of fruit and vegetables were canned for use during the winter months.

Both Mrs. Sherman and I wish to thank the Board of Commissioners for their support and co-operation particularly during the time of the fire and flood. We wish also to thank the citizens of the town of Westmoreland and all others who helped during the high water. We wish also to thank the different groups who visited the institution with some form of entertainment, the church organizations who conducted our religious services, and all those who sent gifts, especially at Christmas.

Respectfully yours,

B. F. SHERMAN,
Superintendent.
